

## **Merri Creek Anglican Children's Ministry Assistant**

Merri Creek Anglican started as a church plant in December 2013, and has since planted a nearby second congregation at Fairfield. Since day one, the church has prioritised ministry to children, and now has 73 children across both congregations.

This position would work under the experienced leadership of Jenny Boonstra, and would be a big support to the wider children's ministry team. This position would suit a person wanting to try out children's ministry, and get some experience in a thriving church. Also, it would work well if the person attended an evening service at another church because they won't ever be in the service on a Sunday morning.
